

IN THE CLAIMS:

Kindly amend claims 2 and 10 as shown in the following listing of claims, which replaces all previous listings and versions of claims:

1. (canceled).

2. (currently amended) A display device comprising:
an insulating substrate on which a group of display electrodes, a group of wiring electrodes and a group of connection pads are formed, the wiring electrodes being connected to the connection pads and the display electrodes and being arranged in at least one group;

an opposing substrate opposed to the insulating substrate;

a display material contained in a spacing between the insulating substrate and the opposing substrate in a sealed manner; and

a dummy electrode provided on the insulating substrate adjacent an outermost wiring electrode of each group of wiring electrodes, the dummy electrode not being connected to any of the connection pads;

wherein the display electrodes are transparent electrodes, and the wiring electrodes are plated ~~metallized~~ by nonelectrolytic plating of only portions of the transparent electrodes extending beyond a side edge of the opposing substrate.

3. (previously presented) A display device according to claim 2; wherein a spacing between the dummy electrode and the outermost wiring electrode is equal to or smaller than a spacing between the outermost wiring electrode and a wiring electrode directly adjacent thereto.

4. (previously presented) A display device according to claim 2; wherein the wiring electrodes comprise a plurality of groups of wiring electrode each group having a plurality of wiring electrodes; and wherein a dummy electrode is provided adjacent to outermost wiring electrodes in each of the groups of wiring electrodes.

5. (previously presented) A display device according to claim 2; wherein the dummy electrode is formed parallel to the outermost wiring electrode.

6. - 9. (canceled).

10. (currently amended) A display device according to claim 2; wherein the wiring electrodes and the dummy electrode are plated by nonelectrolytic nickel plating.

11. - 20. (canceled).
